REFINED DESIGN

"DESIGN IS INTELLIGENT THINKING MADE VISUAL"

Luxury goes beyond a visually impeccable exterior. It's also in the finer details within the cabin, ready to pamper you on any journey. In the PROTON X70, everything is designed with your utmost comfort in mind.

LED Headlamps with Daytime Running Lamps

Style meets purpose for increased visibility in all weather conditions.

Auto Rain Sensing Wipers

Automatically switches on and adjusts the speed of the front wipers according to rainfall intensity for maximum visibility.

Front Welcome Lamps

Illuminate the way to the front doors of the vehicle with an exquisite touch.

Panoramic Sunroof

Catch a breath of fresh air or open up to experience the world from where you are.

Front Ventilated Seats

Circulates cool air through the front seats for improved ventilation and extra comfort.

Power Tailgate with Foot Sensor

Open and close the tailgate hands-free thanks to the motion sensor that detects your foot movement.

Instrument Panel

Meticulously crafted with luxurious soft-touch surfaces and silver finishing.

LCD Meter Combination

7" high definition display delivers crisp and clear images of the information that matters most.

Auto Dual Zone Air-Conditioning

Maintains an optimal interior temperature no matter what the weather is outside.

Air Purifier System

Filters out harmful gases, removes bad odour and kills bacteria.

Voice Command

Say "Hi PROTON" to control features like windows, air-conditioning and navigation through the 8" infotainment head unit.

Remote Control

Monitor and control specific functions of the vehicle remotely with a dedicated smartphone app.

6 USB Ports

Charge electronic gadgets with ease; 2 at the front console, 1 at the console box and 2 below the rear air vents. Unique to PROTON X70, there is also a dedicated USB port behind the rear view mirror to power the dash cam.

Online Music Streaming and Weather Forecast

Access your favourite music streaming platforms and get updated with the latest weather forecast.

Online Navigation

GPS navigation offers traffic alert warnings and driving directions to stay ahead.

Smartphone Connectivity

Android mirror-link for your smartphone.

9 Speakers with Power Amplifier and Subwoofer

Indulge in an immersive experience with power-packed surround sound system.

REDEFINED CONNECTIVITY

"CONNECTIVITY. THE PERFECT UNION OF INTELLIGENCE, INTUITION AND INNOVATION"

Command centre. Assistant. Entertainer. Everything you need to conquer the journey ahead lies at the tip of your fingers or activated through your voice. In the PROTON X70, it's never just a drive. It's about making your life better with intuitive intelligence.

RESPONSIVE PERFORMANCE

"IGNITE YOUR DRIVE WITH EXCEPTIONAL PERFORMANCE"

Your road. Your command. Explore what's under the hood of the PROTON X70 that drives such powerful performance.

1.8L TGD Engine

Experience a powerful yet efficient drive with 135kW of power and 300Nm of torque.

7-Speed Dual Clutch Transmission with Manual Mode

Offers the best of manual and automatic transmissions for faster, smoother and more efficient gear shifting.

Drive Mode Selection

Choose between Normal, Eco or Sport modes to fit your driving style.

Auto Brake Hold

Safely retains the brake pressure when stopping at traffic lights or in heavy traffic. Brakes are released by depressing the accelerator pedal.

Ride and Handling

Tuned to provide a safe, comfortable and enhanced NVH driving experience.

Advanced Driver Assistance System (ADAS)

Equipped with 9 advanced sensors and 5 cameras to look out for what you may miss and react accordingly to keep you and your loved ones safe.

Autonomous Emergency Braking (AEB) and Forward Collision Warning (FCW)

Alerts and brakes automatically to reduce the risk of injury when a potential frontal collision is detected.

Blind Spot Information System (BLIS)

Monitors for blind spots and alerts the driver when vehicles are nearby.

Door Opening Warning System (DOW)

Senses potential danger when opening the front doors.

Adaptive Cruise Control (ACC)

Maintains a safe cruising distance with the vehicle in front regardless of changes in speed.

Lane Departure Warning (LDW)

Alerts the driver when the vehicle unintentionally drifts out of the lane.

Intelligent High Beam Control (IHBC)

Automatically switches the headlamps between high and low beam when there are oncoming vehicles.

Tyre Pressure Monitoring System (TPMS)

Monitors real-time tyre pressure and temperature to provide peace of mind.

360 Camera and Parking Sensors

Provides visual and audible assistance to park with ease.

6 SRS Airbags

Deploys during a collision to protect and reduce the risk of injury.

REASSURED SAFETY

"SAFETY AND PEACE OF MIND. IT ALL STARTS FROM WITHIN"

Sees what you can't. Knows before you do. It's these intuitive touches that make the PROTON X70's safety features intelligently exceptional.

*ADAS safety features are not a substitute for safe and attentive driving. Driver remains responsible for safe vehicle operation at all times.
